

What Our Customers Say

We specified a Easy Glass Splashbacks glass splashback for our kitchen, with outstanding results. As Interior Designers in Bath, our focus is to create stylish and practical designs. From our first consultation, we were confident that Easy Glass Splashbacks would be a good company to work with. We were provided with samples of turquoise shades to match our precise palette. They even went the extra mile to produce a 3.5m run (longer than standard) to avoid an additional join in the glass; an important detail for us. Installation went to plan, and the glass fitted perfectly. The kitchen looks amazing, and our friends and clients have been wowed by the result. We have already specified Easy Glass Splashbacks for our next project in Bristol. It all looks absolutely superb! Thanks once again, and see you in a few weeks for the other room.

I just wanted to say thank you for delivering the splashback so promptly before Christmas, and managing to fit it in under two weeks. We are so pleased with the results, and your service was excellent all the way through. Many thanks.

The lads finished today and I am thrilled to bits. Please find attached some before and after photos for your website (I have had to send pictures in more than one email). I would be happy to give anyone interested in your product an honest opinion of how good your company is, the excellent customer service we received and the quality product you provide. If anyone wants to see what your splashbacks are like I would be willing to show them. We have already and will be recommending you to others. Please thank all your staff, from yourself, the chap who came and measured up, and the lads who came to fit them for me for being such nice people.

I received my red rose glass splashback last week, and I was extremely pleased with the quality of the picture. It is a real feature in my new kitchen. I will have no hesitation in recommending you to others. Fab service with quality product. Thank you.

Thanks to you I won my court battle with our previous splashback supplier to have the £650 returned to me. The judge based his findings on your testimony and the photographs. Many, many thanks to you and all your staff for the excellent replacement work your fitters did. I am happy to report the glass is as sparkling as it was when you replaced all the cracked glass. I would recommend your company to anyone who wanted this kind of work done, so thank your super team for such excellent service.

Further to our conversation today, and the completion of my order, I would just like to reiterate what a pleasure it has been to deal with your company. Service from the start, with the prompt initial response, and then the quality and helpfulness of your installation team, has been a delight and something experienced rarely in any market these days. Thank you very much for your professional and

comprehensive care. I am delighted with the result of the glass and would have absolutely no hesitation in recommending Easy Glass Splashbacks to anyone else.

Just wanted to say a huge thank you to Easy Glass Splashbacks for the wonderful job you have done in our Clifton house. The Kitchen now looks fantastic, as the glass gives it such a clean and polished finish, which was exactly what we needed! My husband and I would happily recommend Easy Glass Splashbacks to anyone who was looking to put glass in their kitchen or bathroom. Please pass on my appreciation to your installers who were polite, courteous and incredibly clean. They both did a wonderful job. Many thanks again.

Your fitters have just left, having added a final piece of glass into the kitchen, and I wanted to write to you to thank you for the excellent service you and your guys have delivered. This year we have had a lot of work done in our house and have had over 30 trades working here, and I would have to say that Easy Glass Splashbacks would be at the top of the list for professionalism, quality and service. Additionally, your two fitters are an absolute credit to you; I only wish I could find similar staff for my own company! Thank you.

We felt we should write to thank you and the rest of the team at Easy Glass Splashbacks for the fantastic job you have done for us at our home. At all times every member of staff I have dealt with has been polite and friendly. Telephone calls were returned with speed, and your measuring and fitting staff arrived on time. I have rarely come across such an efficient, customer focused operation before, and it was a real pleasure. Not to mention my fabulous tangerine glass splashback! Thank you again and please do pass on my thanks to the rest of the team.

It all looks absolutely superb! Thanks once again, and see you in a few weeks for the other room.

Your fitter attended the site on Wednesday a few minutes before you told me he would arrive. All the glass is now fitted and is precisely what I asked for. It is not often that I am inclined to write in eulogistic terms, but I will tell you that I think the service you (Easy Glass Splashbacks) have provided has been excellent. You were helpful, accommodating and quick to respond to my first enquiry. You advised me thoughtfully during the decision-making process and your fitters have been both courteous and exceptionally neat and tidy. I have ended up with exactly what I wanted. The blip we encountered, you dealt with without fuss. I would highly recommend your team again, and will certainly be asking you to template, supply and fit the glass on the next high end refurb we start. Congratulations and thanks.
